from Chichally forest to the plains. "Minute by the Honourable D. Eliott, Esq." Thinks that Lieutenant Michael's local knowledge will be a great aid towards the speedy and successful accomplishment of the objects in view and observes that the Trigonometrical survey cannot be taken to decide questions of local boundaries. "Minute by the President" Will not object to Lieutenant Michael's being employed for a further period of six months, but is determined to put a stop to the system of employing officers on detached duty who have not passed in any language. The Board of Revenue to apply this rule to all officers now detached acting under their orders. Concurs in the Honourable Mr. Eliott's observation respecting the Trigonometrical survey. Recorded the views of Government on the subject, sanctioned the expenses incurred in tracing the road from Chichally forest to the plains and applied to the Government of India for sanction for Rs. 2,000 and for an establishment of about Rs. 576 per mensem for working the forests	5th Feb.	13 - 20
